1913-2012	RT-Rec

A person's orienteering class is determined by their "Year of Birth" **not** by their "Current Age".

Example:

$$2012 - 1996 = 16$$

(even if the person is only 15 because they haven't had their birthday yet)

A **Competitive Team's** class is determined by the "Year of Birth" of the **OLDEST** team member
